Creative Uses Splendione®

Eau De Toilette at 10%

SPLENDIONE® reinforces the floral-jasmine character even though there is a lot of Hedione® HC already present. It brings body and brightness to the accord.

Eau de Toilette at 10%

A small amount of SPLENDIONE® rounds off the green, woody notes of this fragrance and gives a natural freshness. It also brings a delicate floralcy and boosts the overall bloom of the fragrance.
