OLFACTIVE DESCRIPTION

BEYOND LILYFLORE® offers a delicate floral bouquet reminiscent of lily of the valley, with a sweet powdery effect.

PERFUMERY USAGE

A well-balanced building block containing FLOROL®, MAYOL®, LILYFLORE® and a proprietary captive.

LILYFLORE® brings to this base its unique bottom floral lactonic facets.

BEYOND LILYFLORE® gives volume and smoothness to the floral structure of any fragrances.

It blends very well in floral, musky and solar fragrances by offering incredible strength and roundness to compositions. It can also be used as a new floral transparent signature.

TENACITY

Lasts 1 week on a smelling strip
